

contract with the Saudi Government for the Saudi GSM expansion. We estimate that Mr. AlmisihaI made over USD 100 million from that venture. He also had a venture with General Dynamics that provided the Saudi Government with navigation systems and satellites for their vehicles.

Furthermore, the company won a public bid and installed the first ever Visat network by a Saudi company in 2001. The Group has three major sectors that have emerged over the last 5 years:

- Engineering
- Security services
- Telecoms

The company is privately owned (with his brother) and has an annual turnover of approximately USD 300 Million. Mr. AlmisihaI estimated annual income is about USD 35M which is generated from his business, real estate and different portfolios. His estimated net worth is over USD 400M.
