The minimum deposit to purchase a Preferred CD and receive the advertised rate is \$250,000 (unless you already maintain funds in another Preferred CD and/or a Preferred Banking Account that are equal to or greater than \$250,000 in the aggregate). A penalty may be imposed for early withdrawals (see Terms and Conditions Statement for details). There is a maximum deposit of \$25 million per client / per term on the Deutsche Bank AG NY Preferred Certificate of Deposit.

**The interest rate may change after the account is opened. The interest rate for the 9-month variable rate Deutsche Bank AG Preferred CD will be determined on the first business day of each calendar month during the term of the Deutsche Bank AG Preferred CD. The interest rate for each calendar month will be the Federal Funds effective rate for the first business day of the month as published in the *Wall Street Journal* + a pre-determined basis point spread.
