

RXR's multi-disciplined, fully-integrated platform has developed long-term relationships with communities and local municipalities, as well as owners, tenants, brokers and contractors, through its focus on the New York metropolitan area

- Through a collaborative spirit and ability to build relationships and trust, RXR seeks to understand the needs of its constituents in order to formulate thoughtful and responsible development, and to bring transformative projects to fruition
- RXR's senior management team has been purposefully expanded to include executives with significant government experience from both the public and private sides, further facilitating RXR's ability to work with municipalities; RXR has successfully secured and executed with municipalities and mission-driven organizations across the New York metropolitan area
- Transactions include opportunities to renew and expand New York's public and social infrastructure through partnerships with government and mission-driven organizations to unlock untapped value
