Please see below. It looks like the brother is the current beneficiary.

We need to remove Celina as the ben and add the brother. Can you do this or do you want me to reject it back to India? Or if you have all the info, I can ask someone in Jax to do it so we can approve today? Just let me know. Thanks

Article First (a) identifies the grantor's brother (Mark Lawrence Epstein) as the individual that can benefit from the trust until the death of the Grantor. The change of beneficiaries document from 2012 amended Sections (b) (1) of Article First, which deals with the beneficiaries upon the death of the grantor of the Insurance Trust.
