

For Neptune, we agree that we have all docs for Richard Kahn. The only reason we clarified below is because he was missing as RP, from the previously approved KYC (01790739). However as per documentation evidence, we confirm he needs to be added.

Anyways, we will be submitting this case by Monday when all searches are complete.

I am available for another hour today, are you free for a call now?

Kind Regards,

Butterfly is a personal trust.

For Neptune, any reason not to just add Rich as an RP? We've already KYC'd him for other accounts, correct?

Will call you at 9 or so.

Thanks
