Brad Wechsler runs Elysium, which is Leon Black's (founder of Apollo) family office. Brad is the also the Chairman of IMAX (film and theater company).

Paul Barrett is the former head of GIO (like our ISG) desk at JPM. He has recently started his own RIA, Alpha Group Capital, with financial backing from Southern Financial (Jeffrey Epstein). Paul now has trading authority for Jeffrey's accounts

Hi Stew,

Could you please send a **brief** one or two sentences on Brad Wechsler and Paul Barrett (and anyone else you may have going) for the lunch. I'm pulling Patrick together a synopsis so he knows who he's in the room with and can be more impactful at the lunch.

Thanks!
