Section 5.17. Sale of Collateral.

(a) The power to effect any sale of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. Upon notice to the Holders with a copy to the Investment Manager and any Hedge Counterparty, the Trustee shall, upon direction of the Controlling Party, from time to time postpone any sale by public announcement made at the time and place of such sale; *provided*, that if the sale is rescheduled for a date more than five Business Days after the date of the determination by the Trustee pursuant to Section 5.5(a)(i), such sale shall not occur unless and until the Trustee has again made the determination required by Section 5.5(a)(i). The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any sale; *provided* that the Trustee shall be authorized to deduct the reasonable expenses incurred by it in connection with such sale from the proceeds thereof notwithstanding the provisions of Section 6.8 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Securities or other amounts secured by the Collateral, all or part of the net proceeds of such sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such sale notwithstanding the provisions of Section 6.8 hereof. The Securities need not be produced in order to complete any such sale, or in order for the net proceeds of such sale to be credited against amounts owing on the Securities. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of obligations issued without registration under the Securities Act, the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of the Controlling Party, seek a no-action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such unregistered obligations.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Collateral in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action (including execution of appropriate documents in the Issuer's name) necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any payment.
