

In light of the above, kindly provide the following :

- <!--[if !supportLists]--><!--[endif]-->More info on Karyna's dental practice, i.e. please confirm whether her dental practice contributes 25% or more of her income, from SOW perspective, so researches can be run accordingly.
- <!--[if !supportLists]--><!--[endif]-->Finally, kindly confirm that she continues to work for JSC Interiors LLC and this is still part of her SOW?

Request you to kindly provide response to this query at the earliest convenience so we can re-submit this case at the earliest, as this is the only unresolved rejection point in this case, thanks.

Kind Regards,
