Subject: DF - Your Client List - Details To Be Confirmed (Urgent) [1]

Classification: **For internal use only**

Hi Stewart,

As part of Dodd Frank (DF) Regulation, clients who trade GM products will be receiving quarterly and annual disclosures. We are currently going through a clean-up exercise to ensure we have an accurate client list with up-to-date client information.

The ask is for you to review your client list (see table below) and confirm whether these will be transacting GM products. Can you advise:

1. If you believe that these clients will be transacting, if so please confirm client email (this is the email address we'll use to send disclosures too) in column F
2. If they will not, please provide your confirmation that these clients can be off boarded from GM platforms. Please put N in column E
3. Also, if you believe clients are missing from your population can you please advise the client name.

Unfortunately this is an urgent request, therefore, can you please respond at your earliest.

Thanks.
