It is hard for me to comment without additional information. I am comforted by the fact that the case was dismissed but it would be helpful to know the following:

- (1) <!--[if !supportLists]--><!--[endif]-->Why was this suit brought against Mr. Epstein? What was his connection to Hoffenberg?
- (2) <!--[if !supportLists]--><!--[endif]-->What was told to you by Mr. Epstein or his representatives regarding the claims? Did he serve as a "consultant" to TFC?
- (3) <!--[if !supportLists]--><!--[endif]-->Why were the claims dismissed?
- (4) <!--[if !supportLists]--><!--[endif]-->Has Andrew reviewed the information and is he comfortable maintaining the relationship with Mr. Epstein and his related entities?
