Hi,

Working on 1st of the month transactions and your CDs so I will have to get back to you when I have a minute sorry.

Kind regards,
Brigid Macias

Can you call me on this when you get a chance? I need to call the client to ask him to keep moving quickly on this stuff. I want to first make sure that some of the 0 balance accounts I see as open are actually scheduled to be closed and just waiting on a final interest posting or something like that. I see those accounts as:

JSC Interiors
Mort
Southern Financial LLC (DBAG acct)
Southern Trust Company (DBAG acct)
