Todd – resending this per your request. Per our chat on Jeffrey Epstein, can you please let Joe Dursi / Josh Shoshan know so we can put the transition in place? Paul Morris' leaving gives us an opportunity to make this change.

Hi – wanted to follow-up on the regional review meeting last week. See attached the list of brokerage accounts in KCP. My suggestion is for them to be handled by WIC/ISG as this team has more operational expertise in handling execution of listed instruments, etc.
