Rich - Just tried calling you. Please call Delores directly if you have follow through on this at 212-454-3300.

As team relayed, DB isn't (nor are we in touch with as agent) a marker maker on a full 100k shares. But, Delores has market color and guidance on a market if you portion out that size and can help facilitate.

Remember the market closes in Paris at 11:30am.

Hello Richard,

Sorry for the delayed response. I am one of the DB traders here in the US. I have been communicating with our team overseas on your inquiry.

As Tazia mentioned, Rothschild is a light trading name. Our DB Institutional desk has not had any natural flow in this stock in the past few months, but a few clients that have expressed some interest in the name so we have calls out to ascertain if we might be able to put together something.
