I agree. I still don't know when the stop payment was originally placed. Working on more details

We were alerted today that there was a stop payment placed on this check. So while the check didn't bounce, payment has now been withheld. We are trying to research when the stop payment was initiated and get more info for you. We will let you know as soon as we have clarity here.

Thanks

Confirmed. My understanding is that since the check has already cleared, we (DB) can refuse any request we later receive to return funds. Check cleared on Tuesday. Please call if you would like to discuss in more detail.
