**Subject:** MD approval for ACUs completed for High Risk Clients [I]

Classification: **For internal use only**

Dear Andrew ,

All the below ACUs were completed for High Risk clients for this month. As you know the new Policy now requires an MD Approval over and above the approval of the account owner / RM. Which means if the RM is an MD, the approval must come from another MD who is in their reporting line.

In that regard, could you please approve the below ACUs?
