Stew – Rich and I discussed right after I sent the email below. Confirmed the ask is for after-market open in France tomorrow. Know that our market may be 'none' given lack of appetite, but we're working with GM traders and KCP EMEA team in London.

You saw it closed in France at 27.585 euros, on ~16k shares today. Call you now to discuss your aftermarket objectives on 100k – I'm concerned b/a is going to be wide.
