On 11/15 we were told that they would get us the info. Now they may not be able to. Will know more next week. But I agree that we should have on the exclusion list. If you want to send me a draft of the letter, happy to take a look

Thanks

Let's touch base. I marked this Pending Exclusion as you referenced a communication to client if we didn't receive details by 11/15 we would need to consider exiting.

Do you want the letter to formalize this?

Kind Regards,  
Emily

Have spoken to both clients (Gratitude and the family office of the donor). I'm not positive that they are both on the same page still. Have a follow up call Monday, but I think there is now a chance we don't get the info we need. In which case we should discuss next steps.
