

**For Your Information**

The European Central Bank (the "ECB") and other credit institutions introduced "negative interest rates". Negative interest expense may be charged to your account if you have a deposit of foreign currency. The interest will be reported on your Forms 1099 and/ or 1042 S. These rates are subject to change in response to market changes, and we may, in the future and based on our normal interest rate setting arrangements, begin to charge negative interest rates on additional foreign currency balances.
