INVESTOR PROFILE FORM

CONSENT TO ELECTRONIC DELIVERY OF ACCOUNT COMMUNICATIONS

Initial The Investor hereby provides its informed consent to the electronic delivery of Account Communications by the Partnership, the Management Company and/or the Administrator. If the Investor has not initialed this item, Account Communications will be delivered via facsimile or physical delivery (e.g., first class mail, overnight or express courier service or similar delivery method).

Covered Documents

"Account Communications" means all current and future account statements; partnership documents (including all supplements and amendments thereto); notices (including privacy notices); letters to investors; annual audited financial statements; regulatory communications and other information, documents, data and records regarding the Investor's investment in the Partnership.

Medium of Delivery

The Partnership, the Management Company and/or the Administrator may deliver Account Communications electronically via email or any secure Internet site. It is the Investor's affirmative obligation to notify the Partnership in writing if the email address of the Investor or any authorized representative of the Investor changes. If an Internet site is used for electronic delivery, the Investor will receive an email notification when a new document is posted to the site and the Investor will be required to login with its email address and a unique password. In order to access, view, print and save documents, the Investor must have access to the Internet and software that enables it to view a PDF document.

Duration of Consent

This consent will be valid until it is revoked. The Investor may revoke or restrict its consent to electronic delivery of Account Communications at any time upon written notice to the Administrator.

Costs and Risks of Electronic Delivery

The Partnership, the Management Company and the Administrator will not be liable for any interception of Account Communications. Investors should note that no additional charge for electronic delivery will be assessed, but the Investor may incur charges from its Internet service provider or other Internet access provider. In addition, there are risks, such as systems outages, that are associated with electronic delivery.
