Sorry, forgot that we have a global offsite in London the week of the 5<sup>th</sup> that a lot of people will be at. Then I'm out the 11<sup>th</sup>-13<sup>th</sup> at the DB Technology conference (let me know if you want to join in Las Vegas . . .) Can we try for the 14<sup>th</sup> or 15<sup>th</sup>? Thanks

I will be there as well, along with either Matt Glassman or Vahe on the KCP coverage side.
