Jamie Smith is the director of operations with BSP and is based in our New York office. Prior to joining BSP in 2009, Mr. Smith was the director of operations of HillMark Capital Management. Previously, Mr. Smith was an assistant vice president at BNP Paribas Securities, where he managed the client services and trade support group for the fixed income sales and trading desks. Mr. Smith also worked in fixed income operations at WestLB Securities most recently as associate director of the government settlements division. Mr. Smith received a Master of Business Administration from the Fordham Graduate School of Business and Bachelor of Business Administration from Baruch College.
