

Invitation

The hunt for security

Protecting your wealth against
cybercrime and geopolitical risk

Thursday, October 26, 2017

12:00 p.m. – 2:00 p.m.
The Grill, 99 East 52nd Street, New York

Patrick Campion, Head of Deutsche Bank Wealth Management Americas is pleased to invite you to a private discussion on recent developments in the cyber security sector.

The conversation will include fascinating insights into cyber-attacks and how to counter them—as well as informed ideas on how to approach investing in the cyber security sector.

Guest Speakers

Sherrill E. Nicaly
Chief Information Security Officer,
Central Intelligence Agency

Christian Nesting
Global Chief Investment Officer,
Deutsche Bank Wealth Management

R.S.V.P to Sarah Rafferty at sarah.rafferty@db.com
