Ok, can you send that over to me once available? I have another client that is looking into it and it would be helpful to have handy.

Thank you,
Vahe

Vahe – we’re tracking down some commentary on how the strategy did the past few weeks with elevated vol. before following up with Paul. I’ll keep you updated.

Stew/Andrew – was there any follow up on this?

Andrew,

Just spoke to Paul. He’s ready to focus on this. Please send him the latest book and any updated performance. Once he reads it, he will want a call with Rick or Allan.

Only complexity here is that KCP trades all of his brokerage. So, the SMA will need to be set up alongside that account. Hoping we can all work together to get this done.

Thanks
