Richard and Paul,

Martin requested that we send you the attached Structured Products Agreement and e-delivery forms to approve relevant account(s) to purchase Structured Notes. We will need the forms completed for each account in which you would like to trade structured notes. Given most of the trading activity is concentrated in the SFLLC acct ending x804 – feel free to only complete for that account. These forms need to be refreshed as the previous forms on file have expired.

Separately – I've also included our Email Waiver form, which will allow Paul to send us orders via email and Bloomberg. The form should be signed by both Mr. Epstein and Paul.

Please contact us with any questions.

Kind regards,
Liam O'Sullivan
