Subject: CIO lunch tmw [I]

Classification: **For internal use only**

Paul Barrett will be there. I also want to make sure you spend time with Steve Warner, who is the CIO for Tisch (Josh has spoken to him before). Steve is a single stock guy – former media exec and research analyst. Runs a fairly concentrated portfolio. They trade all over the street and settle through Northern Trust. It's \$0.02/sh business, so need to get volumes up
