He's talking to Jeffrey late morning and was hoping to be armed with more info. I told him we had another family prepping for an investment committee call that was also having last minute questions answered from 9:30 – 10 and asked whether he wanted before or after. He wanted before, but if we can't do that, let's go back with times that work

Stew - let's aim for later in the day if possible? I can help coordinate when I'm back in office tomorrow.
