Subject: Re: Euros purchase

can you please try to do better on rate as that is .03 higher than Euro
i believe in the past we paid .02 cents above..
thank you

Hi Bella,

7,000 EUR @ 1.1934 = \$8,353.80 USD. This is the best rate that Afex can offer. Please confirm
if you wish to proceed. Thanks.

Kind regards,

Cynthia Rodriguez
