

Important Information (1/2)

This confidential presentation (this "Presentation") is being made available to you (the "Recipient") by Glendower Capital, LLP ("Glendower"), which is authorized and regulated by the United Kingdom Financial Conduct Authority, for the purpose of providing certain summary information about certain existing and future funds and accounts that are managed or advised by Glendower, including in connection with your evaluation of a potential investment in the fund to be known as Glendower Capital Secondary Opportunities Fund IV, LP (the "Fund")

This Presentation may refer to certain events as having occurred and documents as having been entered into which may not have occurred or been entered into at the date that this Presentation is made available but that Glendower expects will occur or be entered into thereafter.

This Presentation is not an offer to sell, nor a solicitation of an offer to buy, any security, and may not be used or relied upon in connection with any offer or solicitation. A private offering of interests in the Fund will be made only pursuant to the offering documents for the Fund, which contain additional information about the investment objective, terms and conditions of an investment in the Fund and also contain tax information and risk disclosures that are important to any investment decision regarding the Fund. No person has been authorized to make any statement concerning the Fund other than as set forth in the offering documents and any such statements, if made, may not be relied upon. The offering documents will be furnished to qualified investors on a confidential basis at their request. The information contained in this Presentation will be superseded by, and is qualified in its entirety by reference to, such offering documents.

An investment in the Fund will involve significant risks, including loss of the entire investment. The interests in the Fund will be illiquid, as there is no secondary market for interests in the Fund and none is expected to develop. There will be restrictions on transferring interests in the Fund, investments may be leveraged and the investment performance may be volatile. Before deciding to invest in the Fund, prospective investors should read the offering memorandum and pay particular attention to the risk factors contained in the offering documents. The fees and expenses charged in connection with an investment in the Fund may be higher than the fees and expenses of other investment alternatives and may offset profits. Investors should have the financial ability and willingness to accept the risk characteristics of the Fund's investments.

Potential conflicts of interest may arise from the relationship between Credit Suisse Asset Management Limited and its affiliates ("Credit Suisse"), which is acting as the Fund's placement agent. Credit Suisse is not acting and will not act as a municipal advisor within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the rules and regulations promulgated thereunder ("Municipal Advisor Rule").

Any services, material, or information that Credit Suisse provides to a municipal entity or obligated person as defined by the Municipal Advisor Rule ("Covered Party") are provided on an arm's length basis and not as an advisor or fiduciary to the Covered Party. Covered Parties should consult with their own internal and external advisors before taking action with respect to any services, material, or information provided to them by Credit Suisse. Credit Suisse also will not solicit a Covered Party for direct or indirect compensation on behalf of an unaffiliated investment adviser for the purpose of obtaining or retaining an engagement for that investment adviser by the Covered Party to provide investment advisory services to or on behalf of the Covered Party.

This Presentation contains information that has been or may have been provided by a number of sources and has not been independently verified. Nothing contained herein shall constitute any representation or warranty and no responsibility or liability is accepted by Glendower or its affiliates as to the accuracy or completeness of any information supplied herein.

Unless otherwise stated, the information in this Presentation has not been audited or verified by an independent party, and should not be seen as any representation of returns that might be achieved.

The information contained herein must be kept strictly confidential and may not be reproduced or redistributed in any format without the approval of the Fund. Notwithstanding the foregoing, each investor and prospective investor (and each employee, representative, or other agent thereof) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Fund and its investments and all materials of any kind (including opinions or other tax analyses) that are provided to such investor or prospective investor relating to such tax treatment and tax structure, provided, however, that such disclosure shall not include the name (or other identifying information not relevant to the tax structure or tax treatment) of any person and shall not include information for which nondisclosure is reasonably necessary in order to comply with applicable securities laws.
