

## Important Information (1/2)

This confidential presentation (this "Presentation") is being communicated to a limited number of sophisticated persons (each, a "Recipient") by Glendower Capital, LLP ("Glendower") (an appointed representative of Mirabella Advisers LLP, which is authorized and regulated by the United Kingdom Financial Conduct Authority) for the purpose of providing certain summary information about certain existing and future funds and accounts that are managed or advised by Glendower, including in connection with your evaluation of a potential investment in the fund to be known as Glendower Capital Secondary Opportunities Fund IV, LP (the "Fund"). The information included in this Presentation is being made available to Recipients on a strictly confidential basis and may not be disclosed or discussed with any person other than any Recipient's affiliates or professional advisers who are bound by obligations of confidentiality on a need to know basis. Any past performance information herein is not necessarily indicative of future results and actual performance may differ materially from any projected or forecasted performance. This Presentation is not intended to form the basis of any investment decision and Recipients must not rely on this Presentation as part of any assessment of whether to subscribe for interests in the Fund. This Presentation may not be used for and does not constitute an offer to sell, or a solicitation of any offer to subscribe for or purchase any interests or to engage in any other transaction. The information in this Presentation is intended to facilitate discussion and is not necessarily meaningful or complete without such supplemental discussion.

Each Recipient should consult its own attorney, business adviser and tax adviser as to legal, business, tax, accounting and related matters concerning the information contained herein and any future offering of SOF IV. Neither Glendower, Mirabella Advisers LLP nor any of their respective affiliates makes any representation or warranty to any Recipient regarding the legality of an investment in the Fund, the income or tax consequences, or the suitability of an investment for such Recipient.

This Presentation is not intended for distribution, and shall not be distributed, in any jurisdiction where such distribution would violate applicable securities laws.

This Presentation may refer to certain events as having occurred and documents as having been entered into which may not have occurred or been entered into at the date that this Presentation is made available but that Glendower expects will occur or be entered into thereafter.

This Presentation is not an offer to sell, nor a solicitation of an offer to buy, any security, and may not be used or relied upon in connection with any offer or solicitation. A private offering of interests in the Fund will be made only pursuant to the offering documents for the Fund, which contain additional information about the investment objective, terms and conditions of an investment in the Fund and also contain tax information and risk disclosures that are important to any investment decision regarding the Fund. No person has been authorized to make any statement concerning the Fund other than as set forth in the offering documents and any such statements, if made, may not be relied upon. The offering documents will be furnished to qualified investors on a confidential basis at their request. The information contained in this Presentation will be superseded by, and is qualified in its entirety by reference to, such offering documents.

An investment in the Fund will involve significant risks, including loss of the entire investment. The interests in the Fund will be illiquid, as there is no secondary market for interests in the Fund and none is expected to develop. There will be restrictions on transferring interests in the Fund, investments may be leveraged and the investment performance may be volatile. Before deciding to invest in the Fund, prospective investors should read the offering memorandum and pay particular attention to the risk factors contained in the offering documents. The fees and expenses charged in connection with an investment in the Fund may be higher than the fees and expenses of other investment alternatives and may offset profits. Investors should have the financial ability and willingness to accept the risk characteristics of the Fund's investments.

Potential conflicts of interest may arise from the relationship between Credit Suisse Asset Management Limited and its affiliates ("Credit Suisse"), which is acting as the Fund's placement agent. Credit Suisse is not acting and will not act as a municipal advisor within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the rules and regulations promulgated thereunder ("Municipal Advisor Rule").

Any services, material, or information that Credit Suisse provides to a municipal entity or obligated person as defined by the Municipal Advisor Rule ("Covered Party") are provided on an arm's length basis and not as an advisor or fiduciary to the Covered Party. Covered Parties should consult with their own internal and external advisors before taking action with respect to any services, material, or information provided to them by Credit Suisse. Credit Suisse also will not solicit a Covered Party for direct or indirect compensation on behalf of an unaffiliated investment adviser for the purpose of obtaining or retaining an engagement for that investment adviser by the Covered Party to provide investment advisory services to or on behalf of the Covered Party.

This Presentation contains information that has been or may have been provided by a number of sources and has not been independently verified. Nothing contained herein shall constitute any representation or warranty and no responsibility or liability is accepted by Glendower, its affiliates or Mirabella Advisers LLP as to the accuracy or completeness of any information supplied herein.

Unless otherwise stated, the information in this Presentation has not been audited or verified by an independent party, and should not be seen as any representation of returns that might be achieved.

The information contained herein must be kept strictly confidential and may not be reproduced or redistributed in any format without the approval of the Fund. Notwithstanding the foregoing, each investor and prospective investor (and each employee, representative, or other agent thereof) may disclose to any and all persons, without taking action with respect to any services, material, or information provided to them by Credit Suisse, Credit Suisse also will not solicit a Covered Party for direct or indirect compensation on behalf of an unaffiliated investment adviser for the purpose of obtaining or retaining an engagement for that investment adviser by the Covered Party to provide investment advisory services to or on behalf of the Covered Party.

Past performance is not necessarily indicative of future results and there can be no assurance that the Fund will achieve comparable results, that the returns generated by the Fund will equal or exceed those presented herein or that the Fund will be able to implement its investment strategies or achieve its investment objectives. The Fund's investment strategy and applicable investment restrictions may differ from those historically employed and economic conditions may differ materially from the conditions under which any other investment fund or account managed or advised by Glendower has invested.

All statements of opinion and / or belief contained in this Presentation and all views expressed and all projections, forecasts or statements relating to expectations regarding future events or the possible future performance of the Fund represent Glendower's own assessment and interpretation of information available to it as at the date of this Presentation. No representation is made or assurance given that such statements, views, projections or forecasts are correct, that the objectives of the Fund will be achieved or that investors will receive a return of their capital.
