

Subject: Re: AW: NYT on DB and Jeffrey Epstein [C] [SC]
From: Michael Off [REDACTED]
Date: Fri, 12 Jul 2019 13:25:37 -0400
To: Wolfram Lange [REDACTED]
Cc: Kimberly Hart [REDACTED]

suggest we just copy the approach Patrick comes up with across other regions. However, I do not see a way around a full client base KYC review for cases where ever an EDR was conducted. But when this is what is being asked for...?

also suggest to include BI/Stephan Niemand as SME

Kind regards,
Michael Off

Secure Email by Deutsche Bank (Deutsche Bank) Help

Dear User, you have received a secure encrypted email. Please follow the instructions below to view the email.

Why did you receive this message?

You have received an encrypted email from an internal Deutsche Bank user. In order to view this message, please follow the instructions below.

What do you have to do to view your message?

Open the attachment (message_zdm.html). The attachment will open a browser window. Please follow the onscreen instructions in this window in order to view the message.

Desktop Notes User:

To open the attachment in this email, you may need to scroll very far down before the attachment is visible. You can also use the keyboard shortcut CTRL + End to reach the bottom.

Outlook Web Access (OWA) User:

You can open the attachment by right-clicking on the attachment and selecting "Open".

Desktop Outlook User:

Open the attachment.

If you have any questions concerning this email, check the Encryption Quick Reference Guide on the intranet site, or contact your local help desk.

Kind Regards,

GT Production
