Hi PWM AOG,

When you are preparing the manual EDF to upload in dbTops, you are taking the information from the account opening application and not from the KYC.

Hi Yoonsun,

Should a comment on the KYC reflecting the correct address suffice here or does the KYC have to be updated with the address?

Kind regards,
Pema Sherpa

I apologize for the confusion with the docs and the KYC. I submitted the KYC with the information they had sent me via email. I was only made aware of the official name "Gratitude America, Ltd." and that the legal and mailing address were not the same when they sent me the filled and signed account opening docs. Please let me know how I can go about updating the KYC.

Thank you,
Amanda
