There was nothing attached to this, can you provide the updated research for Darren Indyke? The KYC is only waiting on that.

Hi--

The following cases on the process portal have been rejected: 10348083, 082, 081 immediately after they were submitted.

These are urgently needed for a KYC that is already in "rush" status. I believe this likely happened in error, and AML/ Compliance has already said we need the research. Please look into this and revert back immediately.

Thanks,

JJ
