Kathryn,

I just added a case comment to correct the instructions (case number 01563767). Can you please ensure that all transactions are ceased into and out of this account since it now past the 4pm deadline?

Is there a way to prevent any activity in the account until the preauthorized debit has been reversed so that the account can be closed?

Hi,

Since, the account has overdrawn and it's in OD for 8 days, so we would require a financial teas either to wave or to charge fees with approval of business line manager.

Kind regards,  
Komal Shahani

Komal,

This account has fraudulent transactions and was supposed to be closed last  
week. I am looking into why it was not closed.

Hi,

{cid:image001.jpg@01D1835C.BA9C4B50}

Earlier today we received an overdraft referral form from Operations. Please be aware that this account has been in an overdraft status from more than five business days and, therefore, should be charged a fee.

You MUST take one of the below two action steps:

I. Charge a \$30 overdraft fee.

-Create a Financial Client Instructions-Banking TEAS case under the account in -DBforce.

-Enter the following language in the Description field in the Special Instructions section, "Charge a \$30 overdraft fee."

-Select "Exempt" from the Instructions Via field in the Call Back Details section.

II. Request/Enter a Waiver.

-Create a Financial Client Instructions-Banking TEAS case under the account in DBforce.

-Enter the following language in the Description field in the Special Instructions section, "Waive the \$30 overdraft fee."

-Select "Exempt" from the Instructions Via field in the Call Back Details section.

Attach Business Manager email approval to case

Kind regards,  
Komal Shahani
