FYI- Richard Kahn called- [REDACTED] has yet to receive the \$2,500 euros sent earlier this week. Checked DB Force and saw the wire was entered but not verified. Reg E Disclosure states it could take up to 8/4/14 to deliver the funds. Richard was under the impression that since it was euro to euro the funds would have been sent asap. I also called Dan, Katie and Arthur but no one answered. Richard did as well.

Kind regards,
