Hi Jay,

For point 3 for both accounts, the sow for the ultimate beneficial owner is the same (Jeffrey Epstein). Below is the SOW for JE from the approved KYC:

Epstein began his financial career in 1976 as an options trader at Bear Stearns and became a partner in 1980. In 1982, Epstein founded his own financial management firm, J. Epstein & Co., managing the assets of clients with more than a billion in net worth. In 1996, Epstein changed the name of his firm to The Financial Trust Company and based it on the island of St. Thomas in the US Virgin Islands. All of his clients were anonymous except for the very wealthy businessman Leslie Wexner. His wealth has come from his days at Bear Stearns and his financial management firms

Attached is the proof of ownership for the 10,000 shares. You'll see that the shares are issued to Epstein when the company was called Financial Infomatics which was later changed to Southern Trust. I sent you those documents beforehand but let me know if you need them again

(See attached file: Shareholder info.pdf)

Hi Amanda,

As we expected, M/O came back with requests. None of them are a huge deal. Please can you provide documents for point 1, and a more detailed SOW for point 3. I will cover point 2. Thanks.
