Paul,

I thought I'd follow-up to see if you have any questions on the strategy. Specifically, we'd be glad to discuss how the strategy performed during the recent period of sudden elevated volatility.

Please let me know when would work best.

Best regards,

Andrew

Paul,

As discussed with Stew, I've attached an updated deck and factsheet for the Harvest Collateral Yield Enhancement strategy. As a next step, we'd be glad to set up a call with the Harvest team. Please let us know when would work best for you.

Best regards,  
Andrew King
