FYI ONLY

Please have this consolidated, thoroughly accurate list (with color on the "yes, but it's difficult to move" positions) for me tomorrow morning. I have a 9:45am with Vinit, so realistically have this by 11am for an 11:30am discussion with Paul and Caroline.

Thanks!

We're on it Paul. You, Caroline and I need to review an accurate list of the positions that can/cannot/wouldn't come. Based on our conversation Friday,
JE

EFTA01409500

knows not all will be coming over (proceeds from proprietary product and OTC options will move once matured). We just want to be sure that list of positions that cannot move, is accurate. Jay should have that for is in the morning (he has to check with Pershing, ACAT, etc...various groups); some positions will be a discussion for you, Caroline and I (eg. we agreed novating the FX options wasn't realistic).

Sit down in the morning and then go back to Jeff with this info as part of our note of thanks for Friday's meeting?

Thank you, Jay. I'll send the account docs to the client today and we can discuss the ACATs further when Paul is in the office tomorrow

Hi Amanda,

As we discussed earlier, the ACAT's will be more complicated than usual due to the exotic nature of some of the assets in the accounts.

As for Jeepers, please find attached below the necessary brokerage documents for a corporate account. Please find Completion Instructions:

Account Agreement – Please complete highlighted areas on pgs. 1, 6, 7, 14, and 15

Corp Acct. Authorization – Please complete highlighted area and sign/date bottom of pages 1 + 2

Hi Jay,

Wanted to touch base in regards to the ACATS for Southern Trust and Southern Financial. I know you were working on them on Friday. Would like to send them to the client today, if possible.

Also, Jeepers Inc was KYC approved on our end. I am going to work on getting those account docs prepared and send them over today. Would you mind sending me Brokerage accounts for them?

Thank you

Best,
Amanda Kirby
