Classification: For internal use only

Folks – Bella from Epstein's office called Aracely's number (she is out today); in need of funds verification for Amex (had them on the line with her). Can someone with access to or knowledge of Epstein's accounts call her back this morning at [REDACTED]? I think she'll need to connect back in to Amex for some verification they are requiring from DB, so it may take a few minutes. I don't know the details of what they are seeking.

Happy New Year!

Kind regards,
Mark A. Gonzalez
