Hi Amanda

For the transactions that you "Do not know", please ask the client the purpose of these transactions.

For the transactions that were "payments of invoices", specifically what were the payments for?

In order to complete my investigation I will need to know the purpose of these transactions.

Thank you so much for your cooperation.

Cherie

As a part of the PWM anti-money laundering monitoring program, the PRIME system is used to automatically identify transactions that meet certain high risk transaction patterns. When transactions occur which mimic those patterns, the activity must be researched to confirm that it is legitimate.

In a small percentage of these cases, Compliance must contact the Wealth Advisor for additional information about the transaction(s) in order to conclude the research process. Your response is required for the Bank to comply with federal guidelines for concluding the research of these matters in a timely fashion. Your complete response must be received within 7 business days.

To the best of your ability, please provide details regarding the item(s) below:
