Paul - a few housekeeping notes:

1. As confirmed in our bbg chat – you have been approved with limited trading authorization on the five accounts for which Rich sent over the forms. No need to call Darren going forward for trade authorization – the verbal confirmations from Darren will only be required for a transfer of assets.

2. The below was sent over to you this AM by our research folks to get you set up with online log-in to the portal. Just wanted to make sure it didn't fall through the cracks in your inbox

3. We will send over a spreadsheet with holdings across accounts tomorrow. Thought it made sense to wait and generate tmw AM so that the positions reflect today's trades

4. The team is working diligently to understand the requirements to reinstate SFLLC's ISDA. We'll be back to you early next week with an update.

Thanks much.

Vahe
