They were. I got sick of listening to the same music and it was great to have my mind focused on something other than the pain and tedium of running.

The best one to start with is the first series of Serial if you haven't listened to it.

I also like Freakonomics (Stephen Dubner) and Revisionist History (Malcom Gladwell)

This American Life is generally interesting, as is Here's the Thing with Alec Baldwin

TED talks are also really good

Enjoy!
