Hello Kshitij,

I have worked on the below rejection points in above case, kindly refer to my comments in red below -

Case #: 01946825

Relationship: SOUTHERN FINANCIAL RELATIONSHIP Customer Name: Prytanee, LLC
Customer Number: 00000550868 Reason for Rejection:7/31

A – Please provide a recent document that will serve as address proof. The IRS document is from September, 2016. – July 2018 statement verifying address attached.

B – Nature of Business: What do they do with the artwork? Do they purchase it and re-sell it? Does the trust only hold artwork as assets? – Comments updated

C – Please check to see if there is a memo that was accompanied by Chip Packard's approval. If there is none, I recommend "refreshing" the approval with current senior management. The current e-mail approval does not address what exactly is being discussed and approved. – Kindly refer to attached email from Kim Hart which addresses this point. Hope it is satisfactory.

D – The address of employer for Caroline is missing. In addition, please include how long she has been with that company etc. - Updated

E – The "How Was the Client(s) Introduced? How long has the RM personally known the client?" field talks about Zorro Management. Please amend. - Updated

F – New fields were added as part of Dbforce change last weekend. Please ensure those fields are filled out. – updated

Hope this resolves all the issues in this case. I look forward to feedback, if any, thanks.

Kind Regards,
