So she deleted them and apparently doesn't have an easy way to get them back. They were never sent to Cynthia. And of course I wasn't copied.

So, hoping that getting access to his computer solves this. If not, will need to ask IT to pull an archive of Aracely's inbox from May 9th or whenever it was.

Ugh . . .

A few things

- 1) Account #s need to be populated on these
- 2) The need to be signature verified
- 3) You must complete the RM affirmation (attached) for each account holder

We also need to track down the entity ones—he never sent them to me, but in the email he says he sent to Aracely...

He may have sent to Cynthia...

Best,
Armen
