Kim,

Please confirm that we can now move ahead and open a new KCP brokerage account for Butterfly Trust. We've cleared the lawsuit/negative media that was flagged for Epstein. We have existing banking (but not brokerage) accounts. And we finished the annual KYC remediation in September, which included an ID of all beneficiaries and KYC update for the trustees. As far as I know, this is all we needed to do to move forward with a new account for an existing client.

Thanks
