Millstein & Co. LLC

5/31/2016

Millstein & Co remains a restructuring focused advisory firm based in DC and NY with the emphasis on corporate and sovereigns.

The purpose of the meeting was to perform a comprehensive annual review of the personal and corporate accounts. We discussed Millstein & Co's involvement with the Puerto Rico debt restructuring, general muni & market outlooks, and the positioning of various investment accounts. The business accounts are fairly straightforward as they continue to serve as the operating accounts for the business.
