Subject: FW: USDARS Order Cancelled

Martin, on Monday Paul wants to see where we are, market was lower today at 17.23 spot / 19.23 15 June.

Stewart, I talk to Paul about the collateralized depo and he understood everything but he said he'd speak to Richard about it, pls call me if you have a sec to discuss as I want to make sure we do not touch the DB depo situation.

My mobile below...

Thanks
