The reality is that most of that went away when we closed all of the IB trading relationships. And it isn't really possible to do anything credit bearing OTC without the markets accounts and ISDA.

we are potentially looking to increase derivatives trading and would like to better understand what long form confirmation will allow us to do

please advise

thank you

Generally agree with Stewart. Is there anything specific you are looking at?

Thanks,

Generally I think we can just do listed options in your wealth management brokerage accounts. We don't have investment banking/OTC capabilities for you unless we can trade via long form confirmation. Copying Vahe who can clarify.

Thanks

are we able to do any of the following trades in our accounts

Trade fx forwards and options  
CDS  
Equity derivatives

If so would this be out of your Wealth Management group or Investment Bank?

please advise

thank you
