To: Wayne Salit <wayne.salit@db.com>

Classification: For internal use only

Wayne

I have the DBTCNA form ready for submission. I am attaching it along with my backup. Please let me know if/when you would like to review.

I was able to get on the website and upload the data and save it. Once you have reviewed it I am able to submit it.

I am just waiting on information from Karen Wannemacher and then I will be ready to submit the DBNTC.

Thanks

Cherie
