Dear Vijay,

From what I have observed and heard from compliance it seems as long as we can tie the address from the individual to the entity it should suffice.

See attached email from KG from compliance, although not the same situation similar to the approach.

Hope his helps.

Kind Regards,

Subject: Clarification Required on CDD Form - Section C
Importance: High

Good Morning Morgan,

I have a query regarding attached CDD forms that I have received from the bankers recently. Note all the accounts included are from the same relationship.

Under Section c, the legal address for the UBO – Jeffrey Epstein is same as the entity address. Please advise if this is acceptable? Or should the address be same as his personal address indicated in his driver's license, also attached for reference.

Kindly advise, so I can ask for changes to ALL of the CDD forms accordingly, thanks.

Kind Regards,
