Everything on this spreadsheet is still listed as Active in dbforce.

B – let me know if you want me to draft an LOA for them or if we can close via other means.

Can you confirm that all accounts are now closed? Thanks

Yes, as per DB Force they are all at \$0. I would have to manually check each account that's still officially opened and see if we can get BSO to approve the closing without a letter.

Kind regards,  
Brigid Macias
